

VFW Post 8337 Zooming Instructions

Note! Only Post' members and invited guests are allowed into Post meetings. When you click on "Let's Roll", you'll be placed in a holding area. Your name will appear on the host's screen, at which time the Sargent at Arms, will admit you into the meeting. **If the meeting is already in progress, make sure your mic is muted and your video is on.**

Head UP!

Door County veteran are scattered around the world, many on active duty, out of the county on business or wintering in a warmer climate. Still others are hold-up in hospitals or in assisted living.

VFW Post 8337, launched Operation "Zoom" north of the 45th parallel on "Veterans Day" 2021, to make sure all Post' members are kept well supplied, well informed, properly trained and "mission ready" to respond, whenever they're called to duty.

VFW Post 8337 members have been asked to secure a "smart phone" or a desk-top computer or a laptop or a tablet so they can zoom-in at a moment's notice if needed. **When out of the area,** they're asked to locate and have ready access to the Wi-Fi connection found at most coffee shops, restaurants, bars and public libraries.

Post members are also asked to take the following "Basic-training."

1. **On you smart phone,** go to "Settings" and click on "Connections" and then on "Mobile Hotspot and Tethering." Then click "Mobile Hotspot" and "Accept." You'll then be able to use your smart phone as your gateway to the internet.
2. **Or! From you smart phone or computer,** just go to www.doorcountyveterans.com and click on "Let's Roll" 15 minutes before any scheduled meeting.
3. **Be aware!** Member may receive a "text" message or email from the Commander, reminding them of an upcoming meeting or event.
4. **If so, you can** just click on the www.doorcountyveterans.com link in the text message or email and then "Let's Roll" to join in on the meeting.
